

Financial Controller

About JKL Kekst CNC

JKL Kekst CNC has built an international network of 12 offices across nine countries. We work with companies, institutions and individuals to advise on communications affecting decisions, valuation, change and reputation. Our success is built upon the quality and creativity of the 200 strong team, a large number of whom have significant operational experience in industry, finance, politics and the media. We use this expertise and our long-standing networks to deliver results-driven consultancy to management teams and their advisers.

We pride ourselves on our enduring relationships with clients and those they communicate with: the key stakeholders in media, industry, finance and politics.

As a member of MSLGROUP, we have the ability to draw upon the expertise of some of the world's leading strategic communications firms to support our clients wherever required.

Your responsibility

In this role, you will take an important role in the local finance team, and you will work closely with all parts of the business locally in Stockholm, as well as globally with colleagues on other markets. You will report to the Business Controller based in Stockholm.

Key responsibilities of this role include, but are not limited to:

- Ongoing accounting support and month-end closing procedures
- Manage billing, invoices and related queries
- Review and understand the key drivers of revenue controlled at billing level
- Preparation of various monthly reports together with business controller
- Expense sheet processing and related queries
- Stay in close contact with, and support our Shared Service Center based in Poland
- Review and reconciliation of relevant balance sheet accounts
- Collecting and storing key documentation for internal control requirements
- Super user of Maconomy and Navision, including provide training to colleagues
- Project system management to support consultants
- Suggest changes or improvements to increase accuracy and efficiency

Your profile

The ideal candidate is a person with strong analytical and accounting skills who enjoys working in a fast-paced and friendly environment. You are organized, thorough and pay close attention to details. You are a positive and humble person but still can be quite persistent. You are a self-motivator who has an eye for finding new, creative solutions to make our business more efficient. Operating in our environment motivates you and you are proactive in your ways of working. You truly believe that excellent teamwork is a key for success.

Furthermore, the right candidate will desirably fulfil the following requirements:

- Successfully completed a BSc within business finance or equivalent
- At least 1-2 years' experience of working with accounting
- Fluency in Swedish and English is required and some proficiency in German would be an advantage
- Advanced knowledge in Excel and a great interest and understanding of systems in general

- Interest and understanding of financial controlling and internal control
- Knowledge of project accounting systems would be an advantage (eg. Maconomy, Navision, Marathon etc)

What we offer

We offer a dynamic and fast-paced environment with many driven and flexible colleagues. We thrive on challenges, personal growth and together we will enable you to excel. With us, you will get to work with a variety of tasks, try new things and develop on a professional and personal level. We truly hope we caught your attention and that this description fits your competence, personal profile, and future career goals.

Please send us your application in your preferred language (Swedish or English) with CV and cover letter to Hr@jklgroup.com with email subject named Financial Controller no later than the 31st of October. We are conducting interviews on a continuous basis so do not hesitate to apply as soon as possible.

We are looking forward to receiving your application soon!
